

Manassas Christian School

Quality Christian Education in a Learning and Loving Environment

**Linda Bare, Principal Linda Flinn, Administrative Assistant
Charlet Bookal, Financial Assistant**

Welcome to MCS! Our 11 acre campus is the site of our 25,000 sq. ft. school which includes 18 classrooms, gymnasium, library, computer lab, science lab, and music room. Outdoors we offer a creative playground, soccer and baseball fields, basketball court and pool. Our small class size insures individual attention to our students educational needs and goals. Specialized teachers present music, computer, physical education, Spanish, German and art classes weekly. Our programs and services are as follows: School transportation, before and after school care, lunch program, intramural sports, music lessons, hobby and special interest clubs and the best summer camp in the area.

Elementary School Program (Kindergarten-5th Grades)

Our enriched and challenging curriculum includes:

- Daily Non-Denominational Bible Study
- Phonetically Based Reading Program
- English and Process Writing
- Spelling
- Handwriting
- Math
- Social Studies
- Science

Middle School Program (6th-8th Grades)

Our enriched and challenging curriculum includes:

- Daily Non-Denominational Bible Study
- Literature Based Reading Program
- English and Process Writing
- Vocabulary Study
- Math
- Social Studies
- Science

Extended Care Program

A creative before and after school program is available to our students which includes breakfast and an afternoon snack. Quiet, child centered activities, which include a homework review time, are scheduled in the morning. The afternoon session includes outdoor play, arts and crafts, special projects, sports, language clubs, and supervised homework time for all students.
